The map displays a complex landscape with various colored regions: pink (top left), green (top left and middle right), brown (top right), grey (middle), blue (Werra river), and light green (bottom). Infrastructure includes a yellow road (L3302), a black line (Rad), and a blue line (Werra river). Specific locations are marked with labels: 'W', 'M', 'D', 'FePl', 'G', 'K', 'SO', 'Werra', 'SpGruen', 'E', 'K211', 'B80', 'L3302', 'Rad', 'Wasser', and 'Wbh'. A red dashed box highlights a specific area labeled 'SO'. A numbered grid of plots is visible in the bottom right corner.

The map displays a complex land use plan with several key elements:

- Zones and Landmarks:** Labeled areas include "SO 309", "SO 6N Bildung", "SpGruen", "W" (multiple locations), "LSG" (multiple locations), "P", "F", "S", and "A".
- Infrastructure:** A road network is shown, including a main road labeled "K 226" and a water feature labeled "Wasser".
- Buildings and Structures:** Several building footprints are depicted, including a large rectangular building, a smaller building, and a circular structure.
- Parking and Amenities:** Parking spaces are indicated by "P" symbols, and waste management facilities are shown with trash bin icons.
- Topography and Boundaries:** Green areas represent vegetation or parks, while pink and orange areas likely denote different types of land use or ownership.

The map shows the SpGruen area with various land use zones and infrastructure. Key features include:

- Land Use Zones:** Green areas (likely agricultural or forest), pink areas (possibly residential or commercial), and brown areas (possibly industrial or undeveloped land).
- Infrastructure:** Roads, railways, and a 110 kV power line running diagonally across the bottom right.
- Locations and Markers:**
 - K:** A yellow circle with a black 'K' in the top left.
 - F:** Several white circles with black 'F' in different locations.
 - M:** Several white circles with black 'M' in different locations.
 - W:** Several white circles with black 'W' in different locations.
 - A:** Several green circles with black 'A' in different locations.
 - H:** A white circle with a black 'H' in the top right.
 - S:** A white circle with a black 'S' in the top right.
 - SO:** A white circle with a black 'SO' in the center.
 - F:** A black square with a white 'F' in the center.
 - HSL:** A black square with a white 'HSL' in the center.
- Other Markers:** A black square with a white cross, a black square with a white circle, and a black square with a white triangle.
